[RUSH] MESSAGE: *In Examiner's Amendment dated 4/19/05, the instructions for part #15 doesn't note current text in Specification. Please resolve. Thank you (CA)*

[XRUSH] RESPONSE: *The examiner's amendment is directed to the claims, not the specification. I am not sure how the text in the specification has a influence on the instant claims. The examiner's amendment was reviewed and the examiner can not figure out the problem. Please clarify or call me at (571) 272-3104*

INITIALS: *DC*

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
